

# Tenbea

Issue: Phone number without using country code.

The screenshot shows the Tenbea website header with the logo, a search bar, and links for Register and Login. Below the header is a 'Create new account' form. The form contains fields for Username, Phone Number, Email Address, Password, and Confirm Password. The Username field contains 'Titumir'. The Phone Number field contains '01588996658'. Below the Phone Number field, a red error message reads: 'Phone number must be valid number'. The Email Address field contains 'titumir@rrr.ddd'. The Password and Confirm Password fields both contain 'www'. At the bottom of the form is a purple 'Create account' button and a link that says 'Have an account? Login here'.
